### NGC Handicap Posting

- USGA recommends to start posting April 15 even with restrictions.
- Posting should be done the day of the round. Handicaps will change daily.
- The index will remain as before. Handicaps at NGC will be lower than last year under the new formula.
- The clubhouse will not be open for posting scores. To post, please download and install the GHIN app on your phone or digital device. To post from your computer, go to [GHIN.COM](http://GHIN.COM)
- You will need to enter your name & GHIN number. If you don't know or have a GHIN number, contact Terry Whitney [dwhitney@fairpoint.net](mailto:dwhitney@fairpoint.net)
- When posting please use the hole by hole format. It will adjust automatically to net double-bogey.

### Requirements

- For an official score, you must have a witness and complete a minimum of 7 holes for a 9-hole round or 14 holes for an 18-hole round.
- If you are unable to finish a round, post a net double-bogey score for each hole you did not play.
- If you did not putt out on a hole for any reason, write down the score you most likely would have made. If your ball was inside 5 feet, add 1 stroke. If outside 5 feet to 20 yards, add 2 or 3 strokes depending on the difficulty. Outside 20 yards, add 3 or 4 strokes up to the max of a net double-bogey.
- Net double-bogey is par plus 2 strokes plus your handicap for that hole.

**If you have any questions, please contact Terry Whitney at [dwhitney@fairpoint.net](mailto:dwhitney@fairpoint.net)**
